CHANTS & PROPHECIES

Father, in Jesus name I pray, believe and confess (wife's name) is a capable, intelligent, and virtuous woman. I praise You that I found her. She is far more precious than any material substance. In finding her I have found favor with You.

My heart trusts in her confidently and believe in her safely so that I have no lack of honest gain. She comforts, encourages and does me only as long as there is life within her. She expands prudently not neglecting her other duties.

She opens her mouth with skillful and godly wisdom. In her tongue is the law of kindness, giving counsel and instruction. She looks well at how things go in our household. The bread of idleness (gossip, discontent and self pity) she will not eat.

Father, I thank You that (wife's name) respects and reverences me. She notices, regards, honours, prefers and esteems me. She praises and loves me exceedingly.

By the unity of our faith we have both excelled in all we do, we have come into a place of abundance of every good thing serving our God with gladness of heart.

I praise You that Your Word is working in our marriage and that we have been transformed into the image of Jesus by the renewing of our minds. Amen
