

I declare into the life of every member, of SaltCity your floors are full of the bread of the increase of the earth and you overflow now with the blessings you have released your faith for.

Everything you have lost in the past is restored, the years that the locust ate, have been supernaturally restored by increased blessings this year. You eat in abundance and your heart is satisfied and bursts into praise, for God has dealt wondrously with you.

You have seen and can feel God's living presence in your life, and your nakedness is never seen by anyone, for God has been your ever-present help.

The Spirit has been poured out on every single person in SaltCity and we have all been granted utterance to speak prophetically into the earth. Our words have produced signs and wondrous symbols of power on the earth. All forms of darkness before us have become light.

Wherever any member of SaltCity calls on the name of the Lord, they are saved and delivered.

I declare that during our services, utterance be granted that the word is ministered in the context of our situation to meet our needs. God stretches out Your hand that signs and wonders occur in our lives. I declare that utterance be granted for worship that you will perfect praise on our lips towards His name.

As in Isa 25:6-8 I decree that in SaltCity, the Lord shall make unto us a feast of fat things, he will destroy in this mountain the face of the covering cast over all people, and the veil that is spread over Nigeria.

I declare that we are victorious over death and the Lord God will wipe away tears from off all faces.

I decree that in SaltCity, people get born- again, receive Christ as their Lord and Saviour, get baptized in the Holy Ghost and that Christ be fully formed in them.

I declare over and into SaltCity – we are God's spiritual family, united as one in the love of God. God has poured upon every member of this church His precious ointment – the oil of gladness, and has commanded the blessing upon us for life, fruitfulness and abundance.

We are the city of God, inhabited as a town without any walls by reason of the multitude of people and material substance. People come into our services from all corners of the city of Warri. God adds unto us weekly as shall be saved.

Our Church is a strong group of overcoming believers. We do not tolerate evil among us, and we stand firm against the spirit of our age.
